

Lexington Recreation Department New High School Basketball League

The Lexington Recreation Department is pleased to be offering a new high school basketball league this winter. This 9-week league will provide students currently enrolled in grade 9-12 with the opportunity to play basketball once a week this winter. Teamwork and sportsmanship will be emphasized while competitiveness is kept to a minimum. There will be no weeknight practices and games will be played on Saturday afternoons at 4:15pm and 5:20pm at the Diamond Middle School gym. The cost for participants who register before October 15th is \$100.00 per person.

The success of this league depends greatly upon volunteer coaches. If there are not enough volunteer coaches, the number of participants accepted could be seriously affected. Volunteers who are interested in being a coach or an assistant coach should contact the Lexington Recreation Department.

If you have any questions, please contact the Lexington Recreation Department at (781) 862-0500 ext. 262 or visit our website:
