Idylwilde Community Gardens 2016 Volunteer Sign Up

All Idylwilde community gardeners will be required to contribute a limited amount of volunteer time to the upkeep of the gardens. Please indicate your top two (2) preferences from the list of tasks below; we will only assign one task per gardener. **If you do not complete this form, you WILL be assigned a task.**

___ Interior garden path maintenance (each volunteer will be assigned a section of the garden)
Gas-powered weed wacker provided

___ Weed wacking around garden shed and water spigot
Gas-powered weed wacker provided

___ Hose and water barrel set up (spring)
This is done at the beginning of the season.

___ Hose and water barrel break down (fall)
This is done at the end of the season

___ Compost management (turning, moving to new compost structure, etc.)

___ Fence and gate repair

___ Personal volunteer Initiative (Pitch your idea to us, like a monthly garden newsletter, new signage, developing a returning-new gardener mentoring program, etc). Please describe what you would like to do:

Each gardener will be required to do their assigned task just one (1) time during the season. Below is a list of weeks during which we expect volunteer work to be completed; please select your top two (2) preferences:

Week of:

___ May 1	___ June 12	___ July 24	___ September 4
___ May 15	___ June 26	___ August 7	___ September 18
___ May 29	___ July 10	___ August 21	___ October 2

Volunteer assignments will be posted in the garden kiosk by mid-April. Your garden coordinator will contact you with specific instructions for each task.
