

LEXINGTON BIKE SMART DAY For 4th & 5th Graders

As part of *Bike Walk 'n Bus Week 2016*, the Lexington Recreation and Community Programs Department* will offer the **Bike Smart** program to 4th and 5th graders.

Fee:	\$5.00
Date:	Saturday, May 14
Time:	2:00 to 4:00 PM
Location:	Lexington Community Center, 39 Marrett Road. Gather in the side parking lot near the Carriage House.

What is Bike Smart?

Whether riding for fun or for transportation, the **Bike Smart** class is designed to build rider confidence. Students will learn how to check their bike for safety; properly fit their helmet; learn bicycle handling techniques, signaling, and additional biking skills.

The class will be led by Bruce Kulik and Patrick Bibbins, both experienced League of American Bicyclists instructors, as well as local volunteers. With the help of Lexington police officers, students will practice street skills that will make them better, safer riders when they're ready to ride on the road.

All participants must have a helmet and a bicycle in good riding condition.

Pre-Registration Required!

To register call the R&CP Department at 781-698-4800 or go to:
<http://www.lexingtonma.gov/recreation-and-community-programs>

*This program is offered in partnership with the Lexington Bicycle Advisory Committee, the Friends of Lexington Bikeways and the Lexington Police Department.
