### Description of Project:

FY17 Request - \$60,000. The Town hired Studio 2112 Landscape Architecture to design a park to commemorate our sister city Antony, France. The location chosen is the far right hand corner of Tower Park. This request is to build a park reflective of French gardens and species. The design will include a sitting wall, pathways, a memorial linking Lexington and Antony and landscaping. To date the Town has worked with the Tourism Committee to install a water line and do the initial grading. The FY17 funding request is needed to complete the park construction.

### Justification/Benefit:

In 2010, the Selectmen authorized the Tourism Committee to build a Park adjacent to Tower Park to be named "Antony Park" in honor of our Sister City of Antony, France. During the visit of the Antony Mayor in April of that year a sign was presented to the citizens of Antony designating the area for a future park. In 1999, Antony dedicated "Place de Lexington" in the Town's honor. The proposed park will be an enhancement to Tower Park and be open to all residents and groups visiting Lexington. It will provide gathering space, quiet space and demonstrate the Town's commitment to the sister city program.

### Impact if not completed:

The Town has been in communication with Antony, France to discuss a park being established in Lexington to commemorate the sister city relationship. The Tourism Committee has received some donations to apply towards the park. Failure to complete the park will leave the Town with a partially constructed area that will have to be restored and the result will have to be communicated to Antony.
