## STORAGE OF FLAMMABLE, COMBUSTIBLES AND EXPLOSIVES LICENSING PROCEDURES

Please submit the completed license application form along with two sets of plans and an explanatory cover letter to the Selectmen's Office.

After the Selectmen receive reports from the Fire Chief, Health Director, Conservation Commission, and Building Commissioner, a Public Notice of a Public Hearing on the application is prepared by the Selectmen's Office and sent to the newspaper.

Not less than seven (7) days prior to the Public Hearing, the applicant must notify owners of real estate abutting the property or directly opposite the property on any public or private streets of the hearing by sending a copy of the Public Notice by Certified Mail, Return Receipt Requested. Green Return Receipt cards must be brought to the hearing by the applicant. The hearing may be held no sooner than seven days after the notice appears in the newspaper.

The fee for the license is \$100.00. Thereafter, the license holder must each year renew a permit to store the flammables with the Town Clerk. The annual permit fee is \$65.00.
