Flexible Benefit Plan Terms and Conditions

I UNDERSTAND THAT:

ADMINISTRATIVE FEES: Per Coalition agreement, there will be no fees in the 2015/2016 Plan Year. Employees will only be responsible for replacement card cost of \$5.00 per set of 2.

- I cannot change this election during the Plan Year unless I have a qualifying change in family status.
- My Social Security benefits may be reduced by this election due to the pre-tax treatment of these expenses.
- I must make all of my elections carefully and conservatively. Expenses from Reimbursement Accounts *cannot* be reimbursed from any other source and *must* be incurred during the Plan Year. Any money unclaimed from my reimbursement account(s) at the end of the Plan Year will be forfeited to my employer after a run-out period. I will not receive it back.
- I may have an additional 2½-month Grace Period at the end of the current plan year to incur eligible expenses for reimbursement. See your Flexible Benefit Plan Summary Plan Description for more details.
- I understand that Flexible Benefit Plans are to reimburse expenses incurred by my legal dependents or myself only. *Domestic/Civil Union Partners are IRS eligible dependents in most cases.*
- Health Care Reimbursement Accounts will be reimbursed up to the annual election (minus previous payments). Dependent Care Assistance Accounts will be reimbursed up to the balance currently credited to the account.
- *The Health Care Reform legislation signed into law by the President March 2010 impacts over the counter (OTC) purchases with Health Care Flexible Spending Accounts, Health Reimbursement Arrangements and Health Savings Accounts beginning January of 2011. OTC drugs and medicines will only be eligible with a prescription from a doctor. Because these items now require a doctor's prescription, these items can no longer be purchased using the debit card. Participants may still be able to receive reimbursement for the item using their Health FSA, HRA or HSA; however they must send in a claim form accompanied by the prescription from their doctor. All non-prescription OTC drugs and medicine expenses need to be incurred (purchased) prior to January 1, 2011, either by card or claimed using a claim form and receipt, to be eligible for reimbursement without a doctor's prescription. More information will be provided as available.
- 1. **FlexExpress® Card:** The FlexExpress® Card is to be used only to pay for IRS eligible health and/or dependent care expenses. It cannot be used to purchase any items or services not specifically approved by IRS guidelines.
 2. For expenses paid with the FlexExpress® Card I certify I have not been reimbursed and will not seek reimbursement under any other plan covering health benefits.
 3. Any OTC drug or medicine expense will require a prescription for reimbursement as the debit card will no longer work for those drug or medicine OTC expenses.
 4. The IRS requires me to keep documentation of all my expenses the card is used for, and supply them to Benefit Strategies if requested.
 5. Misuse of the FlexExpress® Card will result in permanent revocation and repayment of ineligible expenses.
