

HATS: ENVIRONMENTAL SUBCOMMITTEE

Members: 2 from each HATS Towns
Appointed by: Board of Selectmen
Length of Term: Continuous
Appointments Made: September 30
Meeting Times:

Description: An Environmental Subcommittee supports the Hanscom Area Towns Committee (HATS).

The Environmental Subcommittee assists in the review of environmental impacts, associated with airport activities. It is also charged with researching existing and proposed laws, regulations, and policies by an entities that may have an impact on the environmental quality within the Hanscom area, and to make appropriate recommendations to HATS.

Criteria for Membership: At least one member from each HATS town who has demonstrated expertise in environmental fields, i.e., air quality, noise pollution, groundwater quality and traffic impacts. Members are appointed by HATS and are recommended by the HATS members of each town.

Ref.: Established in October 1998 by vote of HATS.
Selectmen designated as Special Municipal Employees on January 18, 2006.
