Enterprise Fund

The department has operated as an Enterprise Fund since 1991. Recreation programs are self-supported by setting fees to cover all expenses. The Director of Recreation and Community Programs, through the Recreation Committee, sets fees with the approval of the Board of Selectmen. The Recreation and Community Programs operating budget supports staff who manage and deliver recreation programs along with the materials and supplies needed to operate these programs. The General Fund supports a portion of the Community Center operation. Surplus revenue generated through the Recreation Enterprise Fund (Recreation, Pine Meadows Golf Club, and Lexington Community Center) helps fund Capital Improvement Projects and financially supports some services provided to the department by other Town departments, and payment of \$100,000 per year towards the Lincoln Park debt.

Registration Information

Online registration is the preferred method and strongly recommended for all programs except swim tag sales. Go to: www.lexingtonma.gov/recreation-and-community-programs. We also accept walk-in registration and mail-in registration as long as space is available. Feel free to familiarize yourself with the website prior to registration. All participants must register, submit payment, and complete the registration form, including the waiver release, to be eligible to participate in a program. Registration for summer programs is first come, first served and will be available online as of May 2, 2016 at 12:01am. Resident walk-in registration also begins on May 2, 2016 at 8:00am. Non-resident walk-in and mail-in registration will begin two weeks after resident registration starts. There is a \$5.00 (youth) or \$10.00 (adult) additional fee for all Recreation Division non-resident program registrations and a \$5.00 additional fee for all Community Center non-resident program registrations in addition to the purchase of a Community Center membership.
