

In the Massachusetts State Constitution, published in 1780, John Adams and others wrote an inspirational vision of a well-rounded education for every child in the Commonwealth. It is in this document that the essence of Massachusetts public schools was creatively formed. Two hundred and forty-one years later, we continue to build upon this vision with the Lexington Public School's mission statement—**Joy in learning; curiosity in life; and compassion in all we do**—and our core values:

We All Belong

Use Your Mind

Be Curious & Have Fun

Care for Yourself & Others

Do Your Part

Be Courageous

Embrace Your Revolutionary Spirit

You Are Enough

We wholeheartedly embrace these values and strive to reach the goal of providing the highest quality education for all students. We invite you to partner with us on this innovative educational journey.
