B-18-1479	BARG FAMILY TRUST	Wireless Communication	3/5/2019	78-79	30	DEXTER RD	Single Family	<p>Amateur radio antenna installation in back yard. This project was investigated and reviewed by the Lexington Zoning Board of Appeals and a special permit application was approved on 24MAY2018. Subsequent challenge in MA Land Court on 05JUL2018 by rear abutter was settled by mutual agreement to place the antenna and mast no closer than 10 feet from the rear property line (in contrast to the Zoning Board of Appeals approval at five feet from both the rear and right property lines). The amended project consists of the same 28 foot vertical antenna mounted on top of a single nine foot mast securely mounted to a steel-reinforced concrete base embedded four feet in the earth. The total height of the installation will be 37 feet above ground level (in contrast to the ZBA previously approved height of 47 feet). The installation is covered by the "Other Structures" section of the applicant's homeowner's insurance policy (attached). Installation will be accomplished by the applicant. Workman's Compensation insurance is not applicable, as the applicant has health insurance provided by both Tricare Prime and the Veteran Administration.</p> <p>Proposed setback is at least 15 feet from the rear lot line (per zoning) and at least 10 feet from the side yard lot line (per zoning setbacks). Both dimensions must be confirmed by Land Surveyor upon completion of new antenna.</p>

B-18-1204	KLEMOVITCH FRANK J &	Porch	3/5/2019	64-37	5	MANNING ST	Single Family	Our front porch will be replaced with a new porch. The new porch will be a few feet wider than the existing, but will not encroach on neighboring set-backs. The existing porch is non-conforming (as our house sits quite close to the street, so the front edge of the existing porch sits only 13'6" from the street). The new porch will have the same 13'6" setback.
B-19-179	WALLER DAVID P &	Interior Alterations	3/5/2019	63-98	31	COOLIDGE AVE	Single Family	Renovate 2 existing 2nd floor bathrooms, one common bath and the master bathroom, fixtures in existing locations, existing windows to remain, master to have shower unit, common bath to have standard tub unit, No soaking or whirlpool type. no Structural changes
