**RULES AND REGULATIONS FOR APPLICATION  
FOR A SPECIAL PERMIT UNDER THE NOISE BY-LAW**

**Section 1 - APPLICATION FORM**

Every application for a special permit or renewal of a Special Permit under the Noise By-Law shall be submitted to the Select Board on an official form. These forms shall be furnished by the Select Board's Office upon request. Any communication, purporting to be an application, shall be treated as mere notice of intention to seek relief, until such time as it is made on the official application form. All the required information shall be furnished by the applicant in the manner prescribed herein.

**Section 2 - FILING PROCEDURE**

Application for a special permit or renewal of a special permit: One (1) original and five (5) copies shall be filed with the Select Board.

Prior to filing with the Select Board's Office, all applications for special permits should first be reviewed by the Clerk of the Select Board to assure compliance with the law and these filing Regulations of the Board.

**Section 3 - PLOT PLAN TO ACCOMPANY PETITION**

The applicant shall submit a plan of the property referenced within the application for the Special Permit or the renewal thereof, indicating the location of the noise source within the said property including height from the ground and distance from the lot lines. The plot plan shall identify the zoning classifications of the applicant's property and of neighboring properties. If the Special Permit is requested for multiple noise sources, then the location of each source must be specified separately on the plan. The plot plan does not need to be certified.

The size of the plan shall be no smaller than 8.5"x11", nor larger than 11"x17" drawn to scale; it shall have a north point, names of streets, zoning districts, names of owners of adjoining properties, property lines and location of buildings on adjacent properties. The location(s) or area where noise will be generated and for which the permit is being requested and distances from adjacent buildings and property lines should be verified in the field and shown on the plan.

#### **Section 4 - FINANCIAL HARDSHIP**

The applicant shall file a detailed explanation of how the cost of compliance with the Noise By-law, without the relief requested in the Special Permit, will cause the applicant excessive financial hardship.

#### **Section 5 - PROPOSED NOISE IMPACTS**

The applicant shall describe in detail the reason(s) for seeking the Special Permit or renewal of the Special Permit, the expected deviations from the permitted noise standards, the frequency of operations, the hours of the day and the season involved.

The applicant shall file a detailed explanation of what noise impacts (for example, noise level and duration) can be expected by the abutters, in excess of those permitted by the Noise By-law, if the application for Special Permit were granted. Deviations in excess of the described conditions can result in revocation of any permit issued.

#### **Section 6 - NOTIFICATION OF ABUTTERS**

Notification shall be sent by the Select Board's office to all property owners located within 300 ft from the property containing the noise source. A certified abutters' list shall be prepared by the assessors' office. Notification by publication shall also be sent by the Town to a newspaper of general circulation in Lexington once in each of two successive weeks preceding the hearing. The cost of the preparation of the list and of the newspaper notification shall be borne by the applicant. The applicant shall complete a form authorizing the newspaper to invoice the applicant for the cost of publication.

#### **Section 7 - FEES**

All applications shall be accompanied by a check, payable to the Town of Lexington, for the filing fee as determined by the Select Board. Filing fees are non-refundable.
