To the Residents of Lexington:

This warrant document provides notification of the 2022 Annual Town Meeting and Special Town Meeting 2022-1 and advises residents of the various issues being considered at the meetings. Only Articles listed in this warrant may be discussed. The purpose of the Warrant is to inform citizens of the issues to be discussed and does not provide for detailed information about the Articles.

Articles for the Annual Town Meeting are grouped in three categories: Financial, General and Zoning. Descriptions are provided in an attempt to make the Warrant useful and understandable.

The most important votes that take place at the Annual Town Meeting are related to the budget. We urge citizens to read the budget understand it, and help us find a way to foster excellence within the community. The Town website, <http://www.lexingtonma.gov/town-meeting>, includes the most recent version of the FY2023 Budget and other financial Articles as well as other relevant information for each Article.

Between now and Town Meeting there will be multiple meetings to develop a comprehensive recommended budget for FY2023. That budget will be delivered to all Town Meeting Members prior to the consideration of any financial articles by Town Meeting.

**TOWN OF LEXINGTON WARRANT
SPECIAL TOWN MEETING 2022-1**

Commonwealth of Massachusetts

Middlesex, ss.

To either of the Constables of the Town of Lexington, in said County,

Greetings:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Lexington qualified to vote in elections and in Town affairs to meet in the Margery Milne Battin Hall in the Cary Memorial Building, 1605 Massachusetts Avenue, in said Town on **Monday, the twenty-eighth day of March 2022** at 7:30 p.m., at which time and place the following articles are to be acted upon and determined exclusively by the Town Meeting Members in accordance with Chapter 215 of the Acts of 1929, as amended, and subject to the referendum provided for by Section eight of said Chapter, as amended.

ARTICLE 1

REPORTS OF TOWN BOARDS, OFFICERS AND COMMITTEES

To receive the reports of any Board or Town Officer or of any Committee of the Town; or act in any other manner in relation thereto.

(Inserted by the Select Board)

DESCRIPTION: This article remains open throughout Town Meeting and reports may be presented at any Town Meeting session by boards, officers, or committees.

ARTICLE 2

APPROPRIATE FOR POLICE STATION CONSTRUCTION

To see if the Town will vote to raise and appropriate a sum of money for the design and construction of a new Police Headquarters, located at 1575 Massachusetts Avenue, including the payment of costs of demolition, architectural and engineering services, original equipment, furnishings, landscaping, paving and other site and traffic improvements, temporary relocation, and any additional costs incidental or related thereto; and to determine whether the money shall be provided by the tax levy, by transfer from available funds, by borrowing or by any combination of these methods; or act in any other manner in relation thereto.

(Inserted by the Select Board)

FUNDS REQUESTED: Unknown at press time

DESCRIPTION: The funds requested by this Article will be used for the design and construction, furnishing and equipping of a new Police Station located at 1575 Massachusetts Avenue, including any related site work and temporary relocation costs. A townwide vote to exempt debt service on this project from the limits of Proposition 2 1/2 will be held after Special Town Meeting 2022-1 closes.

ARTICLE 3

AUTHORIZE AND RATIFY REMOTE TOWN MEETINGS

To see if the town will vote to authorize the Select Board to petition the Massachusetts General Court for legislation providing that notwithstanding the provisions of any general or special law or by-law to the contrary, all acts and proceedings taken by the town at an annual or special town meeting held in 2022 by remote participation by electronic means in accordance with Chapter 92 of the Acts of 2020, as amended by Chapter 20 of the Acts of 2021, and all actions taken pursuant thereto, are ratified, validated and confirmed to the same extent as if the said Annual or Special Town Meeting had been held in full compliance with any applicable general or special law or by-law; and further to authorize the Select Board to approve amendments to said act before its enactment by the General Court that are within the scope of the general objectives of the petition; or act in any other manner in relation thereto.

(Inserted by the Select Board)

DESCRIPTION: In June 2020, the Legislature temporarily provided express authorization for representative Town Meetings to be held by remote means due to the COVID-19 pandemic. That authorization expired on December 16, 2021. Shortly thereafter, but before the Warrant issued, the discovery of the Omicron COVID-19 variant suggested a potential need for a remote Town Meeting option. This article would authorize the Select Board to petition the General Court for special legislation that would confirm the validity of any actions taken at a Town Meeting being held remotely instead of in person if health and safety conditions continue to warrant a remote meeting. While the Town has worked with its legislative delegation to renew the legislative authorization, the Town is not sure whether that legislation will be adopted at the time of our Town Meeting and this article would provide an additional opportunity to ensure the validity of actions taken at the 2022 Lexington Annual Town Meeting and any Special Town Meetings.

And you are directed to serve this warrant fourteen days at least before the time of said meeting as provided in the Bylaws of the Town.

Hereof fail not, and make due return on this warrant, with your doings thereon, to the Town Clerk, on or before the time of said meeting.

Given under our hands at Lexington this 24th day of January 2022.

ARTICLE 19

ESTABLISH, AMEND, DISSOLVE AND APPROPRIATE TO AND FROM SPECIFIED STABILIZATION FUNDS

To see if the Town will vote to create, amend, dissolve, rename or appropriate sums of money to and from Stabilization Funds in accordance with Massachusetts General Laws, Section 5B of Chapter 40, for the purposes of: (a) Section 135, Zoning By-Law; (b) Traffic Mitigation; (c) Transportation Demand Management/Public Transportation; (d) Special Education; (e) Center Improvement District; (f) Debt Service; (g) Transportation Management Overlay District; (h) Capital; (i) Payment in Lieu of Parking; (j) Visitor Center Capital Stabilization Fund; (k) Affordable Housing Capital Stabilization Fund; (l) Water System Capital Stabilization Fund; and (m) Ambulance Stabilization Fund; determine whether such sums shall be provided by the tax levy, by transfer from available funds, from fees, charges or gifts or by any combination of these methods; or act in any other manner in relation thereto.

(Inserted by the Select Board)

FUNDS REQUESTED: Unknown at press time

DESCRIPTION: This article proposes to establish, dissolve, and fund Stabilization Funds for specific purposes and to appropriate funds therefrom. Money in those funds may be invested and the interest may then become a part of the particular fund. These funds may later be appropriated for a specific designated purpose by a two-thirds vote of an Annual or Special Town Meeting, for any other lawful purpose.

ARTICLE 20

APPROPRIATE FOR PRIOR YEARS' UNPAID BILLS

To see if the Town will vote to raise and appropriate money to pay any unpaid bills rendered to the Town for prior years; to determine whether the money shall be provided by the tax levy, by transfer from available funds, or by any combination of these methods; or act in any other manner in relation thereto.

(Inserted by the Select Board)

FUNDS REQUESTED: Unknown at press time

DESCRIPTION: This is an annual article to request funds to pay bills after the close of the fiscal year in which the goods were received or the services performed and for which no money was encumbered.

ARTICLE 21

AMEND FY2022 OPERATING, ENTERPRISE AND CPA BUDGETS

To see if the Town will vote to make supplementary appropriations, to be used in conjunction with money appropriated under Articles 4, 5, 9, and 10 of the warrant for the 2021 Annual Town Meeting, and Articles 4 and 6 of the warrant for the Special Town Meeting 2021-1 to be used during the current fiscal year, or make any other adjustments to the current fiscal year budgets and appropriations that may be necessary; to determine whether the money shall be provided by transfer from available funds including the Community Preservation Fund; or act in any other manner in relation thereto.

(Inserted by the Select Board)

FUNDS REQUESTED: Unknown at press time

DESCRIPTION: This is an annual article to permit adjustments to current fiscal year (FY2022) appropriations.

ARTICLE 22 APPROPRIATE FOR AUTHORIZED CAPITAL IMPROVEMENTS

To see if the Town will vote to make supplementary appropriations to be used in conjunction with money appropriated in prior years for the installation or construction of water mains, sewers and sewerage systems, drains, streets, buildings, recreational facilities or other capital improvements and equipment that have heretofore been authorized; determine whether the money shall be provided by the tax levy, by transfer from the balances in other articles, by transfer from available funds, including enterprise funds and the Community Preservation Fund, by borrowing, or by any combination of these methods; or act in any other manner in relation thereto.

(Inserted by the Select Board)

FUNDS REQUESTED: Unknown at press time

DESCRIPTION: This is an annual article to request funds to supplement existing appropriations for certain capital projects in light of revised cost estimates that exceed such appropriations.

ARTICLE 23 APPROPRIATE FROM DEBT SERVICE STABILIZATION FUND

To see if the Town will vote to appropriate a sum of money from the Debt Service Stabilization Fund to offset the FY2023 debt service of the bond dated February 1, 2003, issued for additions and renovations to the Lexington High School, Clarke Middle School, and Diamond Middle School, as refunded with bonds dated December 8, 2011; or act in any other manner in relation thereto.

(Inserted by the Select Board)

FUNDS REQUESTED: Unknown at press time

DESCRIPTION: FY2023 will mark the final debt service payments for the projects referenced in this article. The remaining amount in this stabilization fund will be applied to cover a portion of the final payment of the School Bonds for which this Debt Service Stabilization Fund was established. This fund will be dissolved after the final payment is applied.

ARTICLE 24 ADJUST RETIREMENT COLA BASE FOR RETIREES

To see if the Town will vote to raise the base amount upon which cost of living adjustments are calculated for retirees from \$14,000 to \$15,000 as authorized by Massachusetts General Laws Chapter 32, Section 103(j), or act in any other manner in relation thereto.

(Inserted by the Select Board at the Request of the Retirement Board)

DESCRIPTION: This article requests town meeting to approve the acceptance by the Retirement Board of a \$1,000 increase in the maximum base amount upon which a retiree's cost-of-living adjustment is calculated.

ARTICLE 25 APPROPRIATE FOR WORTHEN ROAD RECREATION AND EDUCATION DISTRICT LAND USE CONCEPT PLAN (Citizen Petition)

To see if the Town of Lexington ("Town") will raise and appropriate a sum of money to be expended under the direction of the Town Department of Public Facilities and Permanent Building Committee for a Land Use Concept Plan ("Plan") for the Worthen Road Recreation and Education District and any costs incidental thereto: and determine whether the money will be provided by the tax levy, by transfer from available funds, by borrowing or by any combination of these methods; or act in any other manner in relation thereto. The Plan will address planning considerations such as appropriate land uses, vehicular and pedestrian circulation, parking, ecological impact, active and passive recreation, public events programming, adjacent residential neighborhoods, and the future of LHS, among others that will contribute to land use in the District.

(Inserted by Jon Himmel and 9 or more registered voters)

FUNDS REQUESTED: Unknown at press time

DESCRIPTION: This Article seeks funding for a Land Use Concept Plan (“Plan”) for the Worthen Road Recreation and Education "District" to determine the optimal post construction potential and the construction phase scope, schedule, cost, and logistical challenges associated with achieving that potential.

ARTICLE 26 **APPROPRIATE FOR NEXUS STUDIES (Citizen Petition)**

To see if the Town will vote to appropriate funding for the hiring of consulting services to produce two linkage fee nexus studies; or act in any other manner in relation thereto.

(Inserted by Matthew Daggett and 9 or more registered voters)

FUNDS REQUESTED: \$75,000

DESCRIPTION: This article would appropriate funds for the hiring of consultant services to perform two studies needed for the implementation of linkage fee special legislation in accordance with the passage of Special Town Meeting 2020-2 Article 6 and Annual Town Meeting 2021 Article 36, which are pending in the Massachusetts General Court as of the printing of this Warrant. Results and findings from the studies will establish the linkages between commercial and residential development and their specific impacts on housing in Lexington, and will provide data-driven decision criteria for the Select Board's implementation and rate setting of fees.

GENERAL ARTICLES

ARTICLE 27 **ZERO WASTE RESOLUTION (Citizen Petition)**

To see if the Town will vote to adopt a Zero Waste Resolution that expresses our community values to support environmental justice and take action to address the Town's declared climate emergency by reducing Lexington’s waste which currently threatens the environment, all living beings, and in particular the health of those living in close proximity to waste-processing facilities, or act in any other manner in relation thereto.

(Inserted by Janet Kern and 9 or more registered voters)

DESCRIPTION: Lexington’s waste is currently sent for incineration to a facility adjacent to an environmental justice community. This resolution would seek to reduce Lexington’s waste and to commit to the conservation of all resources and further to minimize harmful discharges of waste processing, including greenhouse gases, and other toxins that threaten the environment and human health.

ARTICLE 28 **HUMANE PET STORE BYLAW (Citizen Petition)**

To see if the town will vote to amend the Town of Lexington, Code Chapter 9, Animals, to make it unlawful for a brick-and-mortar pet shop (also commonly referred to as a pet store) to offer for sale a dog, cat, or rabbit; or to act in any other manner thereto.

(Inserted by Pam Baker and 9 or more registered voters)

DESCRIPTION: The purpose of this article is to reduce the marketplace for puppy mill animals by making it unlawful in the Town of Lexington for a brick-and-mortar pet shop to offer for sale a dog, cat, or rabbit. A person who only sells animals bred on their residential premises is not to be considered a “pet shop”, and would not be impacted by this bylaw. This bylaw would allow a pet shop to provide space for a state registered, non-profit, shelter or rescue organization to display the above animals for adoption, as long as the shop receives no fees associated with sale or display.

ARTICLE 29 **ACCEPT MASSACHUSETTS GENERAL LAW CHAPTER 41 SECTION 110A**

To see if the Town will vote to accept Chapter 41, Section 110A of the Massachusetts General Laws; or to act in any other manner in relation thereto.

(Inserted by the Select Board)

DESCRIPTION: This article proposes that the Town offices may remain closed on any or all Saturdays as may be determined from time to time. The provisions of section nine of chapter four shall apply in the case of such closing of any such office on any Saturday to the same extent as if such Saturday were a legal holiday.

ARTICLE 30

AMEND SPECIAL ACT - PLANNING BOARD AND TOWN MEETING

To see if the Town will vote to authorize the Select Board to petition the Massachusetts General Court to enact legislation regarding the Planning Board in substantially the form below, and further to authorize the Select Board to approve amendments to said Act before its enactment by the General Court that are within the scope of the general objectives of the petition; or act in any other manner in relation thereto.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Section 3 of Chapter 215 of the Act of 1929, as previously amended, is hereby further amended by adding the phrase “, chair of the planning board” after the phrase “chairman of the school committee”.

SECTION 2. This act shall take effect upon its passage.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This article would ask the legislature to amend the act establishing Lexington’s representative Town Meeting to permit the Chair of the Planning Board to participate in Town Meeting on the same terms as the chairpersons of the School Committee, Appropriation Committee, and Capital Expenditures Committee, to enable the Planning Board to carry out their responsibilities at all Town Meetings.

ARTICLE 31

AMEND GENERAL BYLAWS-REPORTING, DISCLOSING, AND ASSESSING THE ENERGY AND WATER USE OF LARGE BUILDINGS

To see if the Town will vote to add a new Chapter to the Town's Code of Bylaws requiring the reporting and disclosure of large building energy use, requiring assessments based on energy use, to set forth the terms and scope of such reporting requirements, including exemptions or waivers to the same, and further to raise and appropriate a sum of money to administer the reporting and disclosure of the large building energy use, and determine whether the money will be provided by the tax levy, by transfer from available funds or by any combination of these methods, or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Sustainable Lexington Committee)

DESCRIPTION: This article would authorize the Town to enact a bylaw that would require the reporting and disclosure of large building energy use and authorize funding to administer the program. The systematic energy measurement and reporting, and subsequent assessments, will assist building owners in making cost-effective energy efficiency investments and will inform the Town of progress towards its emissions goals.

ARTICLE 32

SELECT BOARD TO ACCEPT EASEMENTS

To see if the Town will vote to authorize the Select Board to acquire by purchase, gift, eminent domain or otherwise accept, easement interests for trails, drainage, sewer, utility or other public purposes, on such terms and conditions and in a final location or locations as the Select Board may determine, or act in any other manner in action relation thereto.

(Inserted by the Select Board)

DESCRIPTION: This article would permit the Select Board to accept easements for trails and utility infrastructure in order to allow these amenities to be built and conveyed to the Town as required in accordance with many land use permits, as opposed to requiring each such easement to be approved by Town Meeting.

ARTICLE 33

AUTHORIZE AND RATIFY REMOTE TOWN MEETINGS

To see if the town will vote to authorize the Select Board to petition the Massachusetts General Court for legislation providing that notwithstanding the provisions of any general or special law or by-law to the contrary, all acts and proceedings taken by the town at an annual or special town meeting held in 2022 by remote participation by

electronic means in accordance with Chapter 92 of the Acts of 2020, as amended by Chapter 20 of the Acts of 2021, and all actions taken pursuant thereto, are ratified, validated and confirmed to the same extent as if the said Annual or Special Town Meeting had been held in full compliance with any applicable general or special law or by-law; and further to authorize the Select Board to approve amendments to said act before its enactment by the General Court that are within the scope of the general objectives of the petition; or act in any other manner in relation thereto.

(Inserted by the Select Board)

DESCRIPTION: In June 2020, the Legislature temporarily provided express authorization for representative Town Meetings to be held by remote means due to the COVID-19 pandemic. That authorization expired on December 16, 2021. Shortly thereafter, but before the Warrant issued, the discovery of the Omicron COVID-19 variant suggested a potential need for a remote Town Meeting option. This article would authorize the Select Board to petition the General Court for special legislation that would confirm the validity of any actions taken at a Town Meeting being held remotely instead of in person if health and safety conditions continue to warrant a remote meeting. While the Town has worked with its legislative delegation to renew the legislative authorization, the Town is not sure whether that legislation will be adopted at the time of our Town Meeting and this article would provide an additional opportunity to ensure the validity of actions taken at the 2022 Lexington Annual Town Meeting and any Special Town Meetings.

ARTICLE 34 ALLOW FOR SELECT BOARD TO CALL REMOTE TOWN MEETING

To see if the town will vote to authorize the Select Board to petition the Massachusetts General Court for legislation providing that notwithstanding the provisions of any general or special law or by-law to the contrary, future Town Meetings may meet through remote participation or a hybrid of in-person and remote participation; and further to authorize the Select Board to approve amendments to said act before its enactment by the General Court that are within the scope of the general objectives of the petition; or act in any other manner in relation thereto.

(Inserted by the Select Board)

DESCRIPTION: In June 2020, the Legislature temporarily provided express authorization for representative Town Meetings to be held by remote means due to the COVID-19 pandemic. That authorization expired on December 16, 2021. This article would authorize the Select Board to petition the General Court for special legislation that would authorize town meeting to be held remotely or by a combination of remote and in person means, in the future, even if the state does not reinstate that authority statewide.

ZONING ARTICLES

ARTICLE 35 AMEND ZONING BYLAW - OPEN SPACE RESIDENTIAL DEVELOPMENTS

To see if the Town will vote to amend the Zoning Bylaw to permit open space residential developments; allow increased gross floor area in multi-family developments; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This article would update the Zoning Bylaw to permit open space residential developments, as defined under the state Housing Choice law, G.L. c. 40A, § 1A. Open space residential developments would be subject to limits on gross floor area and require the preservation of open land in its natural state and the provision of affordable dwelling units. This amendment to the Zoning Bylaw would also provide incentives to preserve historic buildings and require site plan review by the Planning Board.

ARTICLE 36 AMEND ZONING BYLAW AND ZONING MAP- MIXED-USE DEVELOPMENTS AND MULTI-FAMILY HOUSING

To see if the Town will vote to amend the Zoning Bylaw and Zoning Map to permit mixed-use development and multifamily housing; clarify the applicability of the Zoning Bylaw to housing on upper stories of commercial or institutional buildings; increase the permitted maximum site coverage, bulk, and height of buildings and decrease

minimum required yards and parking to allow additional dwelling units; and require the addition of inclusionary housing units in certain multi-family or mixed use developments; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This article would update the Zoning Bylaw and Zoning Map for selected eligible locations, as defined under the state Housing Choice law, G.L. c. 40A, § 1A, to permit the development of additional housing and relax or eliminate additional zoning requirements to allow for such development.

ARTICLE 37 **AMEND ZONING BYLAW-TECHNICAL CORRECTIONS**

To see if the Town will vote to make a technical correction to the Zoning Bylaw to address an unintended omission of language authorizing the placement of solar energy systems over paved parking lots as authorized by Article 13 of the 2020-2 Special Town Meeting; or act in any other manner in relation thereto.

(Inserted by the Select Board at the request of the Planning Board)

DESCRIPTION: This change is clerical in nature and not intended to change the interpretation of the Zoning Bylaw in any substantive way. Article 13 of 2020-2 Special Town Meeting amended Section 4.3.1 of the Zoning Bylaw to include the phrase “A Solar Energy System may be located over any paved parking lot.” However, when Section 4.3.1 was further amended at 2021 Special Town Meeting that phrase was inadvertently omitted from the amended text. This vote would confirm that it was the intention of Town to include that phrase as it was originally voted in 2020.

ARTICLE 38 **AMEND ZONING BYLAW AND ZONING MAP - 128 SPRING STREET**
(Owner Petition)

To see if the Town will vote to amend the Zoning Map and Bylaw of the Town to create the Planned Development District PD-6, based on the information provided in the applicant’s Preliminary Site Development and Use Plan (“PSDUP”) for Lot 22 on Town Assessors Map 17 and Lot 2B on Town Assessors Map 18, addressed, respectively, as 95 Hayden Avenue and 128 Spring Street (99 Hayden Avenue) (in sum the “Site”), or act in any other manner in relation thereto.

(Inserted by 95 Hayden LLC and 99 Hayden LLC (affiliates of Hobbs Brook Real Estate LLC)

DESCRIPTION: The article requests rezoning and approval of a Preliminary Site Development and Use Plan for the 95 Hayden Avenue and 99 Hayden Avenue properties identified in the article. The general location of the property is identified on a plan entitled “PD-6 District, Hayden Avenue, Lexington, Massachusetts (Middlesex County)” dated December 15, 2021, prepared by Environmental Partners Group, LLC.

ARTICLE 39 **AMEND ZONING BYLAW AND ZONING MAP- 475 BEDFORD STREET**
(Owner Petition)

To see if the Town will vote to amend the Zoning Map and Zoning By-Law of the Town by rezoning the land commonly known as Town of Lexington Assessors Map 84, Parcel Lot 85A at 475 Bedford Street from the Residential RO District to a PD Planned Development District, based on the information provided in the petitioner’s Preliminary Site Development and Use Plan (“PSDUP”) on file with the Lexington Town Clerk and Planning Board; or to act in any other manner relative thereto.

(Inserted by Edward G. Nardi, Manager, Cresset Lexington LLC)

DESCRIPTION: The article requests rezoning and approval of a Preliminary Site Development and Use Plan (PSDUP) for the 475 Bedford Street property identified in the article, and would allow for the removal of the existing building and the construction of a new building and parking garage. The general location of the property is shown on a plan entitled: "Change of Zoning Plan in Lexington, Massachusetts" prepared for Cresset Lexington LLC and prepared by VHB, Inc. Engineers, 101 Walnut Street, Watertown, MA. 02471-9151 dated December 10, 2021 and on file with the Lexington Town Clerk and Lexington Planning Board.

ARTICLE 40

**AMEND ZONING BYLAW- SUSTAINABLE RESIDENTIAL INCENTIVES
(Citizen Petition)**

To see if the Town will vote to create zoning incentives for environmentally responsible residential construction and major renovation by establishing energy efficiency, sustainability, and on-site fossil-fuel use standards that permit construction and major renovation based on reduced Gross Floor Area (GFA) tiers up to no more than the current maximum allowable GFA; or act in any other manner in relation thereto.

(Inserted by Cynthia Arens and 9 or more registered voters)

DESCRIPTION: This article would create zoning incentives to encourage residential construction and major renovations consistent with the Town's emission reduction and sustainability goals by:

- a. Defining performance standards for energy efficiency, sustainability, and on-site fossil-fuel use, and;
- b. Reducing allowable Gross Floor Area for unsustainable residential construction and major renovations, and;
- c. Providing tiered gross floor area incentives, up to current allowable limits, for residential construction and major renovations that meet the defined higher performance standards.

And you are directed to serve this warrant seven days at least before the time of said meeting as provided in the Bylaws of the Town.

Hereof fail not, and make due return on this warrant, with your doings thereon, to the Town Clerk, on or before the time of said meeting.

Given under our hands at Lexington this 24th day of January 2022.
