JAMES MICHAEL O'CONNOR
RAM REDDY
MICHAEL TABACZYNSKI

Date: March 17, 2022

To: Lexington Select Board

Re: All Town Meeting 2022, Articles 12 b & n

The Lexington Bicycle Advisory Committee (LBAC) is charged with advising the Select Board with all matters relating to bicycle routes and bike policy. Ensuring Lexington is safe for bicyclists is the Committee's primary focus.

At our March 17, 2022 the committee unanimously voted to recommend to the Select Board that it vote to approve the following warrant articles at the 2022 Town Meeting:

Article 12 B: Townwide Pedestrian and Bicycle Plan,

Article 12 N: Battle Green Streetscape Improvements

We endorse these Articles because they support the goal to make biking safer in Lexington.

Both Articles will encourage biking as an alternative to driving by providing safe streets in Lexington. The Bicycle Advisory Committee believes developing a Townwide Pedestrian and Bicycle Plan will also promote the vision of the Comprehensive Plan and the Complete Streets policy.
