Article 4: Appropriate the FY2021 Operating Draft

The FY2021 operating budget is the result of four financial summits and approximately 7 months of work by staff, various boards and committees, our two financial committees, the School Committee and the Select Board. All of those involved in this process worked collaboratively to bring you a recommended budget. The Select Board are grateful to the School Committee and two financial committees for their hard work and dedication in this regard.

The Select Board unanimously support the passage of Article 4.
