Article 16D
LHS Science Classrooms

Mike Cronin

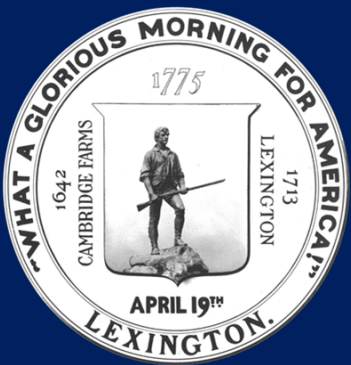

Goals & Objectives

- Due to increased enrollment there is a need for an additional classroom space for Chemistry in School Year 2020-2021 (FY21)
- Current infrastructure cannot support the curriculum for an additional Chemistry Laboratory
- An existing Science Laboratory will need to be retrofitted to support Chemistry Curriculum

Project Specifics

- Move existing Biology Classroom
- Retrofit Biology Classroom into Science Classroom
 - Add demonstration table
 - Add Chemical Fume Hood
 - Add Eyewash
 - Add Exhaust for Labs

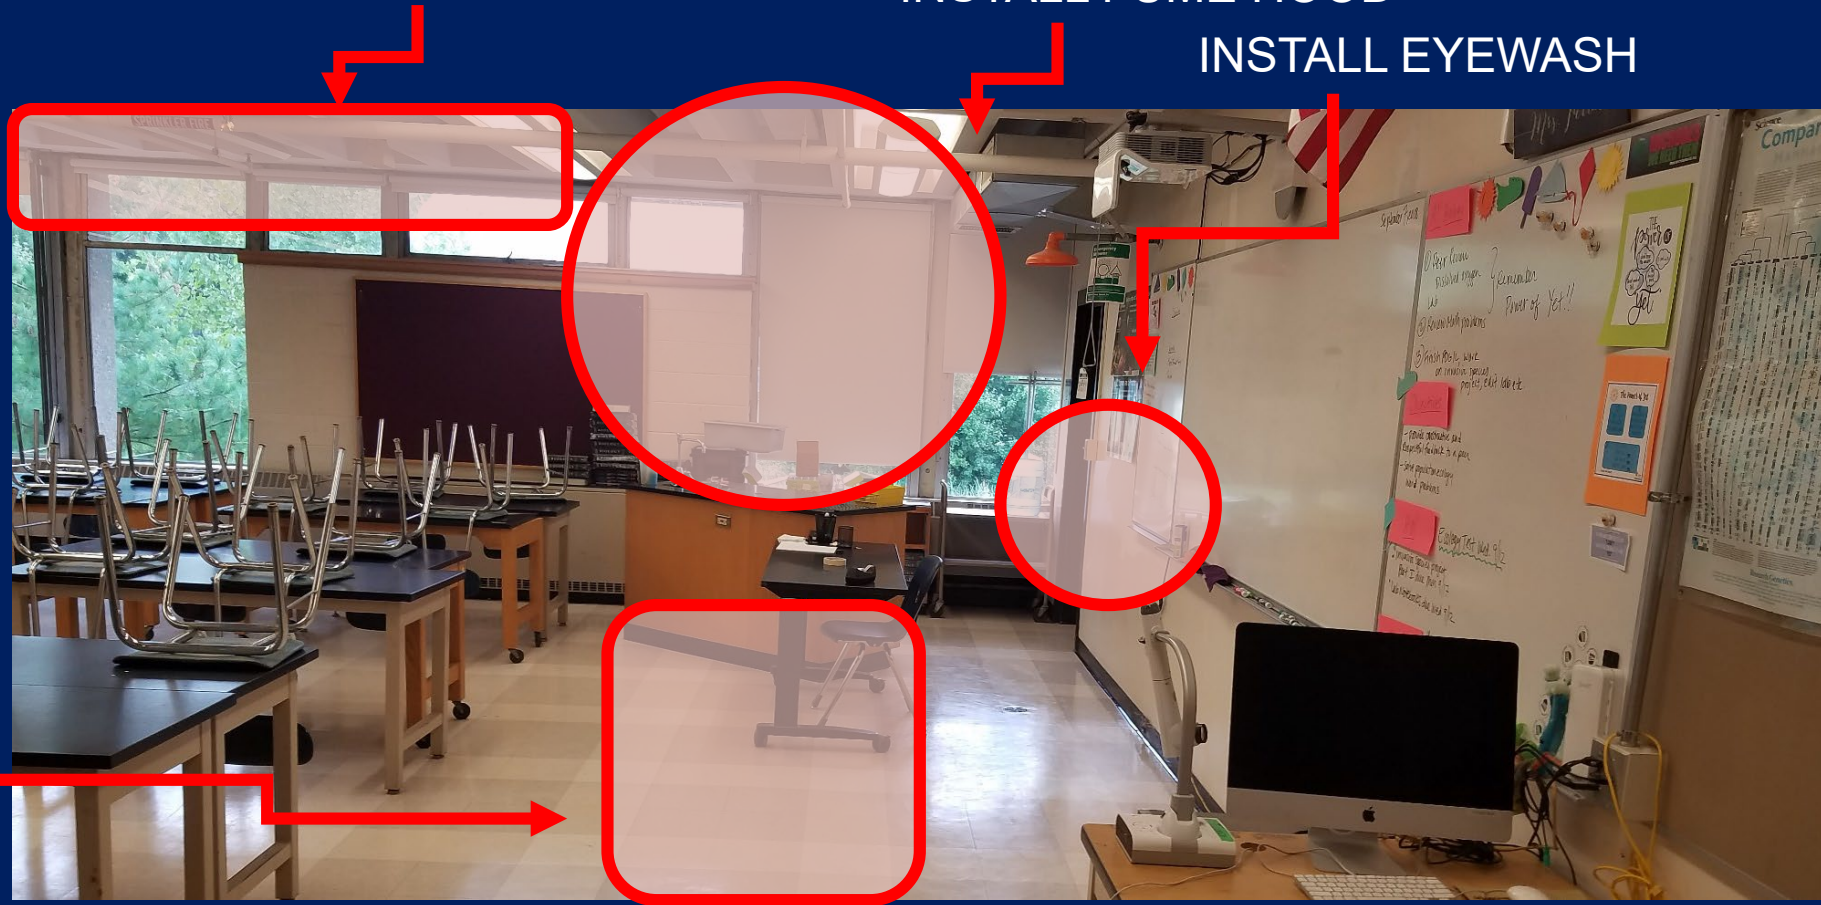

Room

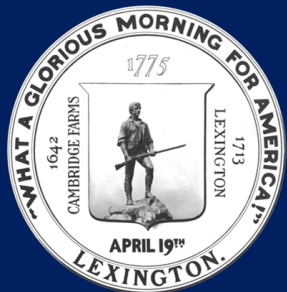

INSTALL EXHAUST FOR LABS

INSTALL FUME HOOD

INSTALL EYEWASH

INSTALL DEMO TABLE

Project Cost

CONSTRUCTION	\$125,000
DESIGN/ENGINEERING	\$ 13,000
CONTINGENCY	\$ 12,000
TOTAL REQUEST	<hr/> <u>\$150,000</u>
