Dear Members of the Select Board:

We understand that Lexington Town Meeting may be considering a Warrant Article that would remove the Lexington Arts & Crafts Society as a nominating body for the position of Associate Member of the Historic District Commission (HDC).

On behalf of LexArt, let me first express our appreciation to the Town for affording us this privilege over the years. We are proud of our ties to the community and look forward to contributing to it in any way we can.

Given the evolving interests of our members and expansion of our membership beyond the Town boundaries, the reasons for affording LexArt a formal role in the HDC Nominating Process are no longer as compelling as they were when the provisions were adopted. We therefore have no objection to the proposed Warrant Article.

Sincerely,

A handwritten signature in purple ink, appearing to read "Wayne H. Davis".
