Q: If the short term rental operator chooses not register with the town (i.e. operate short term rentals outside of the law), how will the Town track down these operators renting out their properties illegally?

A: If operators do not register with the Town, they would be in violation of the zoning bylaw and could be subject to a fine of up to \$300 a day until the violation is remedied. The Town would rely on complaints to know whether an operator is registered with the Town or not.
