Special Town Meeting 2020-2

Article 7: Resolution for Establishment of a Monument (Citizen Petition)

This non-binding resolution requests the Select Board to authorize the use of Town land in the Town center to have a privately funded monument erected that celebrates and honors the contributions women have made to improve and better Lexington throughout history. The dedication of this monument complements the celebration of the 100th anniversary of the ratification of the 19th amendment, which granted women the constitutional right to vote and marking a monumental step for women's rights as well as an effort to create a more just and equal society.

If adopted by Town Meeting, the Select Board would coordinate this effort with the assistance of relevant Boards and Committees that have been established to review such recommendations.
