DESCRIPTION: The Center Streetscape Project was approved at the Spring 2020 Annual Town Meeting. The project focused on storefront to storefront along Massachusetts Ave and did not include sidewalks extending from the center. DPW has identified 3 areas that are in need of new sidewalks for both safety and aesthetics. These areas include:

- a) The sidewalks on Meriam Street from Mass Ave to the Alley (from Abbots to Pinots Palette) and from Mass Ave to the Visitor’s Center. Approximately 315 lineal feet.
- b) The sidewalks on both sides of the Emery Park driveway along the storefronts (from Eastern Bank to Sanyo and from Brookline Bank to Lexington Liquors). Approximately 316 lineal feet.
- c) The sidewalk on Edison Way from Mass Ave to the first driveway (from Beijing to the end of the building). Approximately 120 lineal feet.
