All Terrain Vehicle (ATV) Forestry

- Funds from the Tax Levy will be used to purchase a multi-purpose combination forestry firefighting and personnel transporter ATV.

\$65,000

Annual Town Meeting 2023

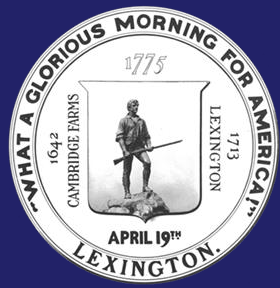

Municipal Capital Projects and Equipment: Article 12(a)

Fire Department's Current 2000 All Terrain Vehicle (ATV)

- 23+ Years of Service
- Limited roll over protection
- No protection from the weather
- No protection from trees and branches
- No firefighting capabilities
- No personnel transport capabilities

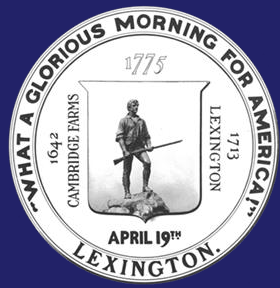

Municipal Capital Projects and Equipment: Article 12(a)

- Firefighting capabilities
- Ability to carry water and hose
- Rollover protection
- Windshield protection
- Heat and air conditioning
- Increased hazardous environmental protection

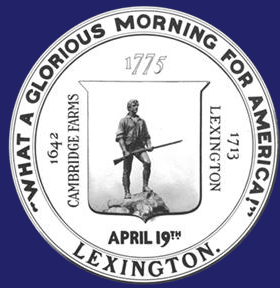

Municipal Capital Projects and Equipment: Article 12(a)

Multifunctional Capability Design

- Designed to be transformed into other uses
- Removable firefighting equipment
- Personnel transporter capability
- Need for only one drivetrain

Municipal Capital Projects and Equipment: Article 12(a)

Thank you for your consideration
