

# Town of Lexington Annual Town Meeting 2023

## **Article 14: Appropriate for Wastewater System Improvements**

**Presenter: Suzanne Barry**

This article requests \$1,115,404 for projects to support the Town's sanitary sewer infrastructure. Of that amount, \$1,040,404 will be used to rehabilitate the sanitary sewer infrastructure throughout town and \$75,000 will be used to evaluate the condition Town's sewer pumps and identify and prioritize future capital improvements that may be needed to this infrastructure.

The Town's sanitary Sewer infrastructure upgrades may include, but are not limited to, combinations of slip-lining, cured-in-place relining, spot repairs and replacement of existing lines, as well as cleaning and investigation of sewer lines.

The Select Board unanimously supports passage of Article 14.
